Dear Jackelyn,

This letter is in regards to the 3/2/15 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain a copy of your husband's most recent physician signed statement of health to be kept on file. If it has been more than two years since his last doctor visit, a new appointment must be scheduled.)

☐ 110.5(2)d An individual file is maintained for each substitute and contains: (You need to apply to add Taylor as a substitute/assistant and have the appropriate background record checks completed. You also need to establish a file for Taylor which includes her physician signed statement of health, certification in the mandatory reporter training, and CPR/First Aid certification. Also, you need a copy of certification in CPR/First Aid for Tawinee. I have included a change application form that can be used to add Taylor to your registration.)

☐ 110.5(2)d A completed DHS Criminal History Record Check, form B, 595-1396.

☐ 110.5(2)d A completed Request for Child Abuse Information, form 470-0643

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.

☐ 110.5(2)d Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before** 4/21/15.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 4/21/15.
